Dear Parents,

The wet and warm weather is still hanging around. This extended period of uncharacteristic weather is certainly what the environment needed. The rain is certainly topping up our depleted water table.

I have just received communication from the Minister for Main Roads regarding the installation of Flashing School Zone signs on William Street. Our school has been canvassing heavily over the last few years with the Department of Main Roads to install these flashing lights to improve the visibility of the school crossing zones as an active reminder for motorists to slow down in school zone. I publicly thank the Minister for his positive response to our request. The installation date has not been set and I will communicate with you when a confirmation date is given.

Our Student Representative Council has organised a Red Nose Day for Thursday 23rd of June. Students can wear red on the day. Please bring a gold coin donation to support SIDS and KIDS.

Our next week’s Assembly will be held on Wednesday. The reason being that our class attendance award excursion to Cooya Beach with the Walker Brothers is being held on Friday. We also have Ms Tahlia’s dance classes performing for us on the day. If you get a chance, please come to assembly on Wednesday and enjoy the show.

The first week back in Term 3 (starting Monday 11th July) is our annual NAIDOC celebration week, culminating in the NAIDOC parade on Friday. More information and permission notes will be sent home in the first week of Term 3.

Our school has been approached by a company called Jack Morton who are contracted by businesses and organisations to organize philanthropic (charity) activities. We have organised with this company for them to paint an Alphabet Amethystine Python on the southern wall of B Block (back of admin building). This mural will be interactive in that each letter will have a black board surface for writing/drawing characters starting with that letter. Final details are yet to be decided and I will communicate them with you as soon as they are confirmed. The date set for the project is Monday 25 July which is our Mossman Show Public Holiday.

Our school had arranged with Life Saving Qld to present a ‘water safety’ information session this week. Unfortunately Lifesaving Qld have had to postpone this session until sometime in Term 3.

As I mentioned last week, Report Cards will be sent home next week. With a change to our Reporting Guidelines, the parent/child/teacher interview will have a greater focus. The parent/child/teacher interview is a great opportunity to discuss your child’s progress as teachers will be able to show you work samples, assessment tasks and class work that will reflect how your child received the rating identified in the Report Card. Please take this opportunity as it is a lot easier for all concerned to discuss student progress face to face than it is through a written report card.

A big, big thankyou to all the mums, dads, family members, guardians for getting your children to school. Our school’s attendance rate is constantly getting better and better and as a result we can see the level of achievement and engagement getting better and better. Once again I thankyou for supporting your child’s education.
Prep-Tomar for being an enthusiastic class member.
Prep1-Davarn for an excellent effort in creating a poem.
Prep1-Kathrine for being more confident as a learner.
Year1/2-Hunta for impressive narrative writing.
Year1/2-Evie for using learned strategies to tell the time.
Year2/3-Darryl for making strong choices in class.
Year3/4-Sheniqua for being a good student and working well.
Year3/4-Cameron for outstanding numeracy work.
Year4/5-Thomas for being an independent worker who work is consistent.

Year5-Zycohan for a great start in 5A and working hard.
Year6-Jae for improved efforts in class and working hard.
Year6-Tejay for showing strong leadership and setting an example.
SEP-Amber for achieving her goals with sight words.
Principal- Jasmine Allery for constructing her writing using 'Sizzling Starts' and 'Tightening Tension' and lovely hand writing.
Principal- Tiarna Hawkins for constructing her writing using 'Sizzling Starts' and Tightening Tension' and excellent vocabulary

Look out! Year 3A is coming up the attendance ladder! Who will win the trip to Cooya Beach next week? Remember this award is a cumulative one and goes to the class with the highest attendance for the year. Our current Top 5 attenders for the month of June are:
1. Year 3A: 96.95%
2. SEP: 96.91%
3. Year 4/5: 94.95%
4. Year 5A: 94.79%
5. Prep1: 94.46%

Keep up the great work kids! Every day counts!
Mossman State School
Leaders-2016

What we have achieved in the first six months.
We raised some money for camp, by selling soup and fried rice.
We had a BBQ on election day where we organised tables, food, drinks and a raffle.
We organised an Easter raffle and a lolly jar competition.
Tejay talked to people to help organise a stall for NAIDOC week.
We organise and run parade, we set up, we present awards, we invite Mr Smith and Ms Case to talk and promote events within the school.
We represented the school at the family fun day.
On ANZAC Day we all talked to the florist and ordered a wreath then laid the wreath at the cenotaph. We also had school Anzac day event and made wreaths for the event. Reagan delivered a speech at school.
We started organising more fundraisers, like a footy raffle.
Reagan reminded the team to Evaluate when a games session wasn’t working.

What we would like to achieve in the next six months.
Organise a pyjama day, we have discussed it with Miss Burcombe and it will probably be on in June or July.
Help organise a vegie garden.
Keep doing parades.
Help get the tennis court fixed and get more sports equipment.

What skills have I improved in:

Tejay “I think I have improved with organisation because things work better when you are organised in advance”
Kalyah (communicating clearly) “I think I’ve learned to speak up more, I want to do the awards on parade”
Jove “evaluating because I wasn’t good at it, with the raffles instead of doing it the day before we could do it earlier”
Reagan “communicating clearly, because I used to mumble a lot and not finish my sentences, now I talk louder and pronounce my words”

What is the best thing about being a student leader?

Tejay “I like being a school leader because people and teachers appreciate us more, we get some privileges”
Kalyah “I like being school leader, it’s fun and you get to go places”
Jove “its fun and it’s a privilege….you get to organise things for special days”
Reagan “meeting new people, so I get to know more people, at school everyone knows my name”
WEAR RED FOR SIDS
